[DETAILS] Welcome to your Deluxe Plus Studio, combining all the great features of our Deluxe Studios with a prime location near the top of the building. These spacious layouts, ranging from 25 - 35 m<sup>2</sup>, are thoughtfully designed with accessibility in mind, offering the perfect environment for study and relaxation.

Inside, you'll find a comfortable double bed, a generous wardrobe, and a dedicated study area to meet your needs. The modern kitchenette, complete with a full-size oven, makes meal prep effortless, while the en-suite bathroom ensures practicality and convenience.

This room type provides the added benefit of significantly more room, featuring a fully wheelchair-accessible en-suite with a larger layout and practical touches such as grab rails for enhanced ease of use.

With ample storage solutions to keep your belongings organised, plus all utilities included and high-speed Wi-Fi, you can focus on your studies and connecting with the LUNA community.
